Betty and Dave Kasten recently visited the XIT museum in Dalhart, TX. They have been interested in XIT since they own the homestead of Bob Fudge one of the outstanding XIT cowboys who worked for that ranch for 18 years.

The plaque reads XIT Ranch "Great Texas Ranch of International fame. Payment made on 1882. Contract for the construction of the Granite Capitol Building in Austin as contractors, some out-of-state investors (headed by the wealthy Chicago merchants John and Senator C.B. Farwell) built the largest state capitol in North America and received in payment 3,000,000 A of land"....it goes on to say "ranch covered some of 10 counties in Texas and first herd delivered in 1885."

In 1890 they purchased land in Eastern MT and set up 2 headquarters in Prairie County and they lasted here till 1909. Many of their cattle were fattened along Redwater.

The Empty Saddle monument

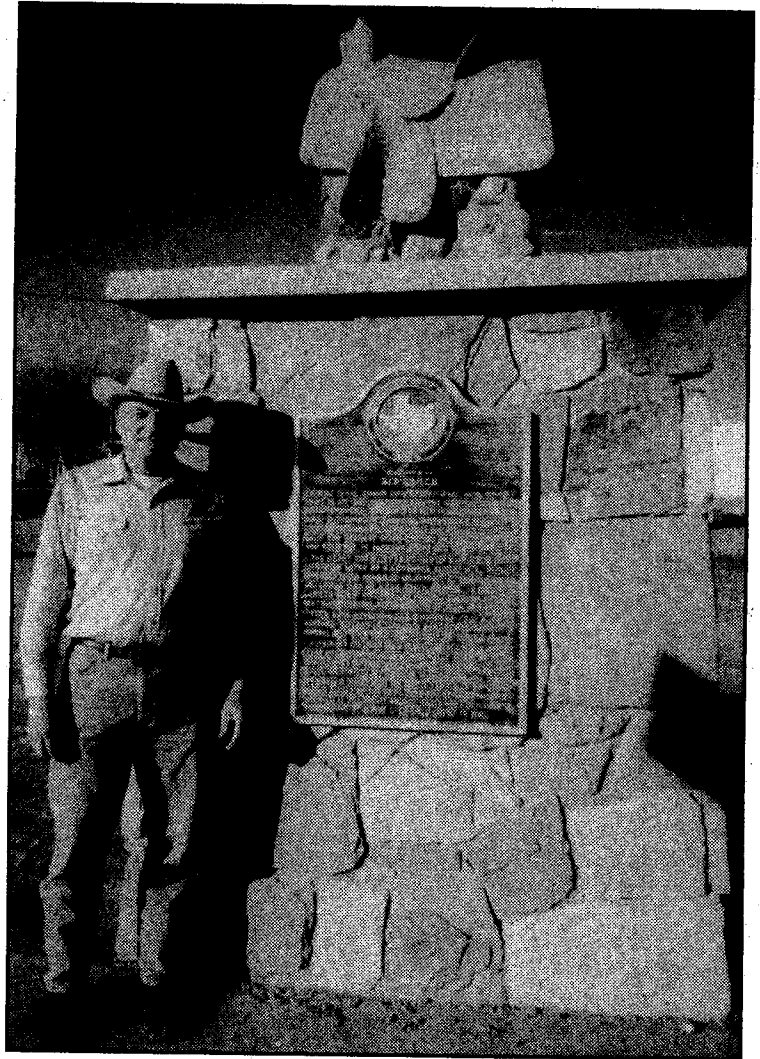

was inspired by Mrs. John Marsh in memory of her husband that worked with Bob Fudge wagon.

When checking on the internet, it said this monument was such a popular place for pictures. Wish we had a special popular place for pictures at our museum. Would like to suggest the cement triceratops with the golden horn.

Both Marj. Kirkegard and Vivian Breitbach heard from the son of Evelyn Holik Anderson (CHS '41) telling them his Mother Evelyn had died in Sept.05 in Redding CA, The Holik ranch was in north McCone.

Also sorry to hear of the death of Mrs. Garland (Elaine) Lockrem in MN recently. Our condolences go to the family.

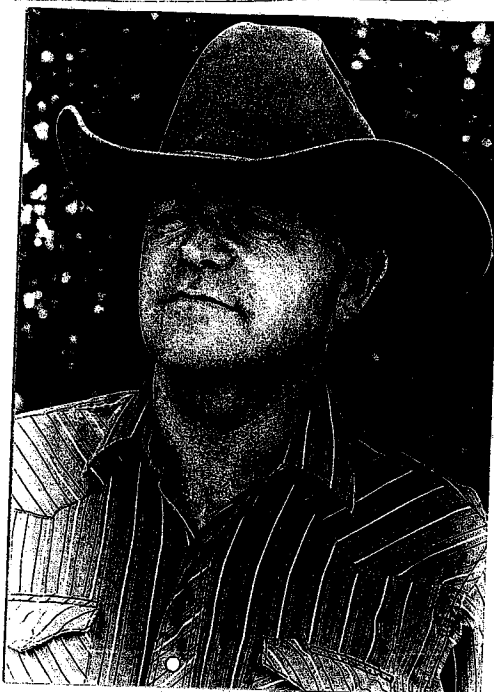

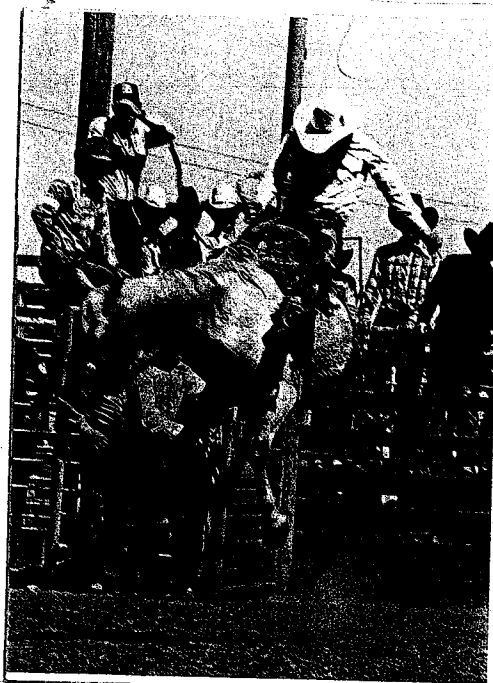

Wonder if someone has my book about Sgt. Yokoi the Japanese straggler who hid in the Guam jungle for 28 years after US took back Guam in 1944.

Picture is of Dave Kasten by Empty Saddle Monument.

## Winning Buckles For Thirty Years Brings Down the Curtain for Tescher

Thirty five years, over 1,300 broncs and **35** buckles, saddle bronc rider, Don Tescher of Sheridan, Wyoming has hung up his spurs.

Tescher was born in Beach, North Dakota in 1953 and was raised on a ranch northeast of Sentinel Butte, ND, one of 10 children of Tom and Lorraine Tescher. Following in his father's footsteps, Don competed in his first rodeo at age 9 when he rode both a Shetland pony and a yearling steer. In 1968, at age 14, he rode his first bronc in Wibaux, Montana. Four years later, Don won his first trophy buckle at the 1972 Isabel, South Dakota rodeo. In 2002 at Richey, Montana, Don topped a lifetime goal of winning a trophy buckle to celebrate his thirty year buckle winning anniversary.

Don rode professionally for 11 years. He went to 102 rodeos in 1976 and finished the year ranked 17<sup>th</sup> in the world. In 1979, he went to 107 rodeos and was 19<sup>th</sup> in the world. Keeping closer to home in 1983, Don won the North Dakota Rodeo Association saddle bronc riding title. *Competed in 36 different states, and 5 Canadian provinces.*

1996, Don was named the Canadian Senior Saddle Bronc Riding Champion and qualified for the Senior National Finals Rodeo in Reno, Nevada four times, 1996, 1997, 2001 and 2002.
